LETTER FROM THE PRESIDENT

Hi everyone,

April is my favorite month of the year. The weather is wonderful and we can start thinking of the gardens we'll have. And...April is guild challenge month. I can't wait to see all the entries. I hope many of you are participating. It's a good thing to stretch your abilities and meet a challenge.

Good news. Suzanne has agreed to stay on the board. She will need help while she recuperates from her knee surgery, so I'm hoping

many of you will volunteer to lend a hand. She has worked incredibly hard since she took over the job and we are thrilled she is staying.

The committees are shaping up. Ginabeth Young and Jill Zollinger have volunteered to chair the Ronald McDonald auction quilt for 2008. The library still needs help for several months and we still need hostesses at each house on the studio tour. All members are expected to help with hospitality, so if you haven't signed up for a month, I will be as-

signing them to you. I'll assign them alphabetically, so check the newsletters for your turn.

Look for Suzanne's article on the Sharyn Craig seminar and don't miss it if at all possible. It's a unique opportunity. She is a wonderful, laid-back teacher and perfect for a beginner/almost beginner.

I look forward to seeing you all April 3.

Valerie

MINUTES OF THE MARCH 6, 2007 CVQA MEETING

Minutes of CVQA-Tuesday,
March 6, 2007

The monthly meeting of the Cumberland Valley Quilters Association was called to order by President Valerie Curtis at 10:00 am at the First Presbyterian Church on Franklin Road in Franklin, Tennessee. Eighty two (82) members were present. Doris Waldschmidt introduced one new member, Kathy Fankhauser, and one visitor, Deborah Rut-ske. Directories can still be picked up from Judy Nichols. Extra copies are available for \$3.00. Changes in the directory can be emailed to Judy and will be updated in the newsletter quarterly. Blocks (10 ½ inch unfinished size) can be dropped off at the welcome desk at each meeting. These blocks will be used to make quilts for members who have a serious illness. Blocks should be signed and can be any color.

The library committee thanked all those who brought in prizes for the library raffle and to all those who donated books today. Volunteers are needed for the library in the upcoming months. Two to three volunteers are needed each month to help in the library and bring a raffle prize. If you have not done so please sign up for a hospitality month and a committee. Many opportunities exist for volunteers in the guild.

The studio tour for June needs 2 more houses for the tour (6 total are needed). Volunteers are also needed to provide food and to welcome members at the houses on the tour. Ginabeth Young and Jill Zollinger have agreed to help make a quilt for the Ronald McDonald House Auction for 2008.

Suzanne Brodnax has resigned her position as 1st Vice President due to medical/personal issues. Thank you to Suzanne for her hard work planning this years programs. Anyone interested in this position should see Valerie. Since this years' programs are in place, planning can begin for next year.

Beverly Keyser reported that the Evening Stars last meeting was a Show and Tell of antique quilts, lace and embroidery. Twenty one (21) members attended. Next month Ginabeth Young will present how to make a 3-in-1 quilt. She will show how to make 3 small quilt tops from 3 yards of fabric. See newsletter for details. Beverly also reported that there will be a UFO day at Rau-Wood on March 22, 2007 from 8:00 to 6:30. Bring a project to work on and a sack lunch. Stay for all or just part of the day. The cost is \$12.00. Sign up with Beverly Keyser. Lauren Wade reported on the guild challenge. Bring finished quilts to the April meeting. A 1 inch variance will be allowed from the stated measurement. The 2008 committee met at the break today.

Show and Tell took place after door prizes were awarded by Doris Waldschmidt and Valerie Curtis. Many soldier and charity quilts were shown during Show and Tell. Volunteers are needed to bind quilts. Thank you to Mary Lou Montague who donated \$210.00 toward soldier quilts.

The library collected \$64.00 dollars and

library prizes were given out. The meeting was adjourned at 11:45 after a presentation by Norma Buida on artist postcards.

Respectfully submitted,

Rose Naeser,
Recording Secretary

SOLDIER QUILT NEWS

We are still plugging along. Things are looking up and we are over half the way to our goal of 100 quilts by 4th of July. Speaking of goals, we are having a work shop after next month's meeting. Stay after the meeting in April and sew with us. Right now we need tops put together. Good time for all. If you like to sew, cut or pin things together we have the job for you. Bring a sandwich or salad, I'll have soup (potato) yum yum.

Bring sewing supplies, sewing machines, rotary cutter, mats and irons. We'll all have a great day. How better than to sew with some friends and make some new ones.

Thank you everyone for all your encouraging words. They really, really help. Till next time.

Thanks for caring

Kathleen, Sharon, and Norma

Congratulations Kathleen on the wonderful article in The Williamson AM, March 16, 2007 about the guild's soldier quilt program. For those of you who missed it click on the following link. [Quilts of Valor](#)

EVENING STARS NEWS

Congratulations to Christine Copenhaver who has had her quilt put in the book "Rose of Sharon - New Quilts from an Old Favorite" which is published by AQS. The quilt itself is hanging in the Quilt Museum in Paducah with 16 others and will be there through May. After that the group goes on tour to different shows/museums. The quilts will be at the AQS-Nashville show in

August. Christine is a member of the Evening Stars group and we would like to congratulate her on this fine achievement.

Evening Stars will be working on charity quilts at the April meeting. Please bring sewing machines and basic sewing supplies.

MEET CVQA QUILTER

This month the featured quilter is Lauren Wade. Lauren has been quilting for over 30 years. She began sewing clothes for her Barbie doll out of old sheets at the age of 6 or 7 on her hand crank machine. Lauren's first sewing machine was a treadle machine from Sears that she got at age 10. As a teenager, Lauren sewed all her clothes. Her great grandmother was a lifelong quilter and gave Lauren a

quilt when she was 17. This gift and looking at the issues of Quilters Newsletter that her mother bought inspired Lauren to start quilting. Her first quilt was an Irish chain quilt that was hand pieced and quilted. Lauren learned to quilt on her own and did not take classes until the 1980's when she took classes in machine piecing and quilting. She prefers to hand quilt and has progressed from making traditional quilts to some nontradi-

tional quilts such as landscape and art quilts. Lauren has also been taking classes for 3 years in order to get her AQS Appraisers license.

In addition to quilting, Lauren likes gardening and hand embroidery. She belongs to the local chapter of the Embroidery Guild of America. Lauren is the 2nd Vice President for CVQA and has planned and organized this year's guild challenge. We are happy to have such a multitalented individual in our guild.

I don't make mistakes, I make design changes, some work, some don't !
