

## Mystery Quilt 2017 Clue #3 - April

This clue, we pick up where we left off.

1. Sew one rectangle from bag D to one four patch from Clue #2. Make 36.

2. Now sew one strip from Step 6 in Clue #2 to the other side. Make 36.  
Put these back in bag "D".  
(These blocks should be 5")

3. The next thing we do is make half square triangles. I haven't given you instructions for cutting the fabrics for these, because everyone has their favorite method of making them. I prefer to paper piece them. The finished size is 3" (3 1/2" unfinished). If you don't have access to the right size papers, I'll have some sheets available at the meeting. You may purchase Thangles or Triangles on a roll if you prefer. You should have enough fabric to make them any way you choose. Use fabrics #3 and #4. Put these in bag "C".  
You will need 36.
